Propuesta de historia

La creciente participación electoral de mujeres y jóvenes podría estar impulsando un cambio significativo hacia una posible tendencia a una mayor inclusión de mujeres en la representación femenina en roles políticos locales, como alcaldesas y concejales en la Región Metropolitana.

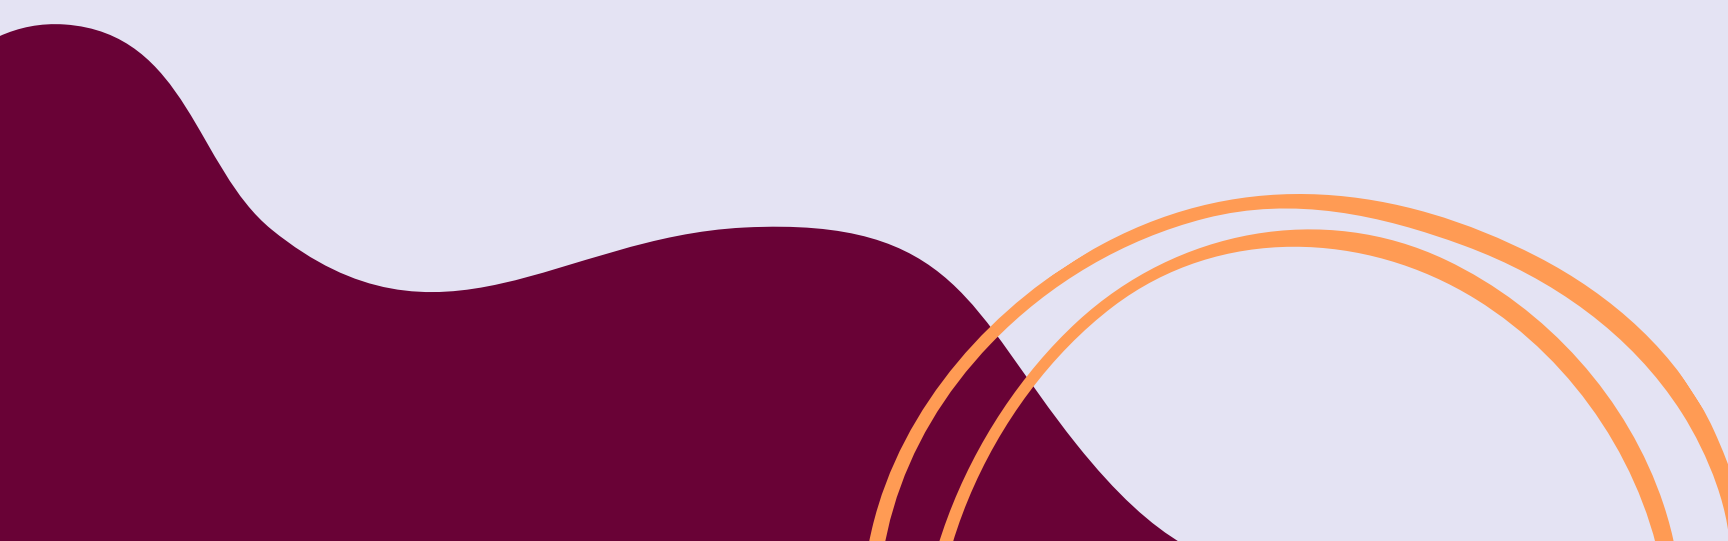

Preguntas

- ¿Cuál es la proporción actual de alcaldes hombres y mujeres en Chile y cómo se distribuyen en comparación con el total de cargos?
 - ¿Cómo ha evolucionado la composición de género de los alcaldes y concejales a lo largo de los años en términos de representación política local?
 - ¿Existe una tendencia clara hacia una mayor representación de mujeres en estos roles en los últimos años?
